

DEWKAR et al.
Appl. No. 10/665,411
July 26, 2004

REMARKS/ARGUMENTS

Reconsideration of this application is respectfully requested.

The indication of allowable subject matter at all claims 1-11 is appreciatively noted.

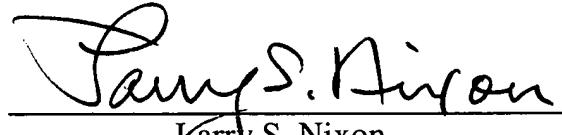

In response to the rejection of claims 1-6 and 8-11 under 35 U.S.C. §112, second paragraph, claim 1 has been amended above so as to avoid the alleged indefiniteness. In particular, the phrase at issue in claim 1 is intended to specifically exclude Cl₂ and S0₂Cl₂ from the definition of the chlorine source. It is believed that the amended language is clear and definite with respect to this point.

Accordingly, this entire application is now believed to be in allowable condition and a formal Notice to that effect is respectfully solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
